

## CONTROL YOUR ZOOM ROOMS MEETINGS WITH EASE

### **BENEFITS**

- Integrated calendar, so it's easy to find your meeting and connect
- Intuitive interface makes it easy to personalize the experience for more productive meetings
- Power over Ethernet means only one cable is required, eliminating clutter
- Easy setup: the Poly TC8 is pre-paired out of the box when purchased as part of a full Poly video solution

### **POLY TC8 FOR USE WITH ZOOM ROOMS**

This intuitive touch interface provides easy access to Poly video conferencing solutions. The sleek design features an 8" high-resolution touch display to ensure control options are clear and accessible. Easily initiate, join, or share content—and focus on better collaboration.

- Integrated calendar for one touch to join a call
- Easily share content, adjust the camera, and change participant layouts
- Compatible with Poly Studio X Series, Zoom Rooms Edition and Poly G7500

# POLY TC8
